Classifications

In 2010 BBS Archery created a set of classification scores for the VIIR 1 round so that VI archers could claim classifications in the same way as able bodied archers. Any archer can claim a classification by submitting 3 scores to the BBS Archery records officer.

The Classifications listed below have NOT been awarded to the archer; they are intended to provide the archer with an indication as to what level they currently are and what classification they can be awarded with, if they submit two more scores of the same standard.
